
Friends of
St. Botolph's Church

The Friends of St.Botolph's Church Newbold aim to help raise money towards the Church restoration fund appeal. As part of this we would like to start a 200 club. This would be £1.00 a month payable either 6 months or 12 months in advance and drawn monthly. The 3 prizes would be 50% of the total money for that month. The first draw for the 200 club will be Friday 5th December 2008 at the concert and official opening of the Christmas tree festival. .Anyone who would like to help the Church and become a member of the club please fill in below and return.
